## MISS SUTLIFF'S RETURN

Miss Sutliff reached New York on Tuesday, September 26, looking thoroughly happy and fit after her four months tour. As many of the Alumni are aware she visited England, Ireland, Norway, Sweden, France and Germany, and while abroad met a number of

former students, spending two or three weeks with the Misses Greene in the English lake country, and some days with Miss Greta Linder in Stockholm.

#### **FACULTY CHANGES**

Miss Margaret Jackson, who has been a member of the Faculty for five years, has resigned to accept the librarianship of the Hempstead, L. I. Public Library. Miss Jackson's decision to take the headship of a library, which she had in contemplation even before her student days, will be felt as a loss to the School, for it would be difficult to over-rate the value and quality of the service she has rendered, particularly in connection with the senior and open courses. Her loyalty, her resourcefulness, and her knowledge of the publishing world, as well as her familiarity with New York's artistic, dramatic and literary activities, have been great assets. Happily Miss Jackson is to continue as a lecturer, coming from time to time to meet appointments in the junior book selection course.

As a successor to Miss Jackson the School has been fortunate in securing Miss Alice G. Higgins, classifier and executive assistant at the Boston Athenaeum. Miss Higgins is a graduate of the Simmons College School of Library Science, has served in the Carnegie Library of Pittsburgh, in The New York Public Library, and in the public libraries of Worcester and Somerville, Mass., and Utica, N. Y. In 1915, 1916 and 1917, she was an instructor in the summer library session at Simmons College. Miss Higgins is to assume her new duties on November 1.

#### **AMERICAN LIBRARY ASSOCIATION MEETING**

About forty former students were in attendance at the Detroit conference of the American Library Association. Most of this number were present at the School dinner on Thursday evening, which was held in a comfortable restaurant adjoining the Statler Hotel. The Alumni had as guests Miss Countryman, Librarian of the Minneapolis Public Library, and Mr. Root, President for 1921-22 of the American Library Association, and Mrs. Root.

Former students of the School also assisted materially in the arrangements and entertainment incident to the Conference. Mary I. Weadock, 1913-14, played a particularly prominent and helpful part at one of the registration desks.

#### **NEW YORK STATE LIBRARY ASSOCIATION MEETING**

Seven former students took lunch together on Friday of library week at Alexandria Bay in September and sent a greeting to the Faculty and incoming class. This message was much appreciated, both for the interest in the School which it betokened and because it furnished an

unusually good opportunity for bringing to the new students the fact that in enrolling at the School, they are becoming part of a large and active group of fellow workers who are interested in their welfare.
